

## Dashwood KO match report as of 5<sup>th</sup> June 2017

### Match No.2

It could only be the Italians, Captain Giuseppe vs Mario; as big as the Captain is he was no match for the more nimble Mario, who famous for his cycling prowess rode all over a saddened Giuseppe.

### Match No.3

Dan manages to get a bye so automatically moves to the next round.

### Match No.6

Roy vs Pat, Unfortunately their lack of planning means they have decided to go on holiday at different times and thus there may be a delay to which Roy has informed us.

### Match No. 7

Charlie has also managed a bye and thus is in round 2.

### Match No.8

Gordon vs Dave Hawes, our (~~National Treasure~~) Treasurer and international traveller come Wood Turner has and is so so so busy he was unable to schedule me in and as such he reluctantly conceded a walkover. Never mind Dave there's always next year.

Regards

Gordon
